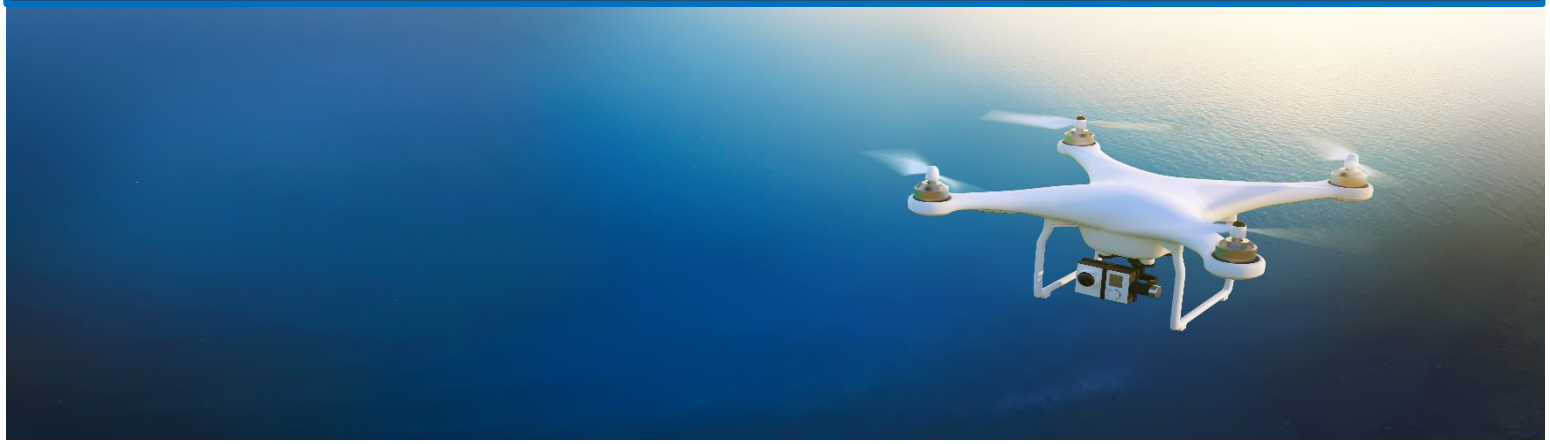
# Drone Technology PLC



**Audience: Elementary & Secondary teachers who are currently using mini-drones or small UAV's in their classrooms or for extra-curricular activities.**

## Meeting Date

December 2, 2019

## Meeting Time & Location

MO BOCES Campus Conference Room
C2 Entrance
(By the greenhouse)
1:00pm – 4:00pm

## Facilitator

Tim McKenna, VVS High School
Technology Education Teacher

## PLC Goal

Support elementary and secondary teachers who are using drones in their classrooms, who use drones in extra-curricular activities, or who have drone or UAS lessons, units, or courses at their schools.

## Agenda

There will be a presentation on Drone Technologies. We will have a Parrot Mambo Repair Clinic. Bring your working and non-working Parrots, spare parts, and something to take notes with.

## Future Meetings

Monday, February 3, 2020 1:00 pm – 4:00 pm in the Campus Conference Room
Monday, April 27, 2020 1:00 pm – 4:00 pm in the Campus Conference Room
Monday, June 1, 2020 1:00 pm – 4:00 pm in the Campus Conference Room
