Madison-Oneida BOCES Social Media Guidelines

Our goal in hosting social media channels is to keep interested members of our community – students, staff, alumni, local residents, business partners – informed about current events and exciting things happening on campus as well as to create an alternate path for dialogue.

We welcome active participation and comments from user. It should be understood that all comments are solely the opinion of the author and do not represent Madison-Oneida BOCES (MOBOCES). In engaging with us on social media, users are agreeing to comply with MOBOCES board policies, including but not limited to our Acceptable Use Policy and our Code of Conduct, the Dignity for All Students Act (DASA) and the Children’s Internet Protection Act (CIPA), as well as terms of use established by each social media platform.

In general:

- Do not post profanity, pornography, violence or other content that is not appropriate for an educational environment.
- Be respectful of all users and ensure your comments are appropriate for all audiences.
- Do not bully, intimidate or harass another user or post hateful or threatening content.
- Do not make false or libelous claims, or use MOBOCES pages to conduct otherwise unlawful, misleading, malicious or discriminatory activity.
- Do not advertise products or services or otherwise post “spam.”

All comments on this page are monitored and reviewed. MOBOCES may, but is not obligated to, remove comments or posts deemed in violation of our guidelines. Different platforms also encourage users to report inappropriate content through built-in links.

Our social media channels are not intended to replace the communication channels already established to address student, personnel and other individual issues. These issues should continue to be directed to the appropriate Madison-Oneida BOCES administrator.
